

National Summit 2010

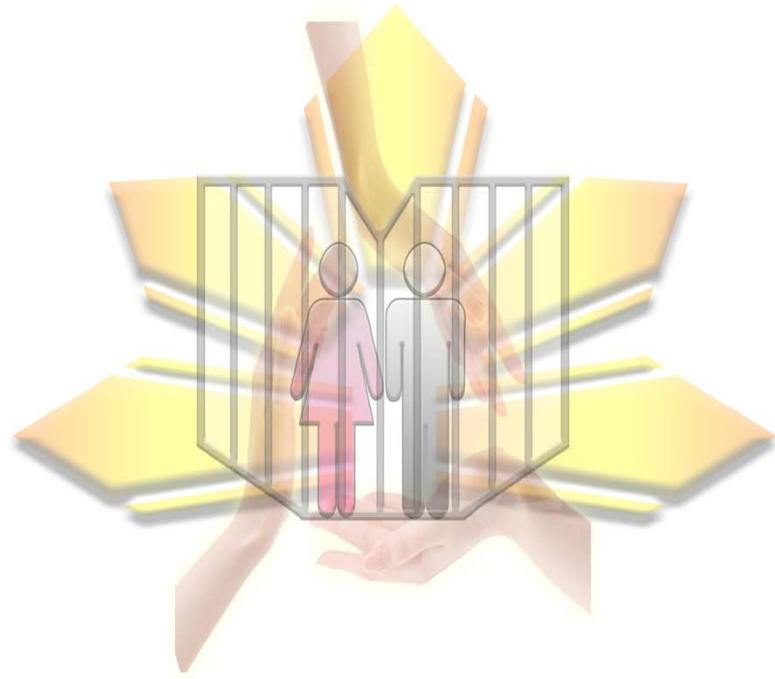

“Collaborative Partnership Towards Enhancing the Dignity of Persons Deprived of Liberty”

Objectives of the National Summit

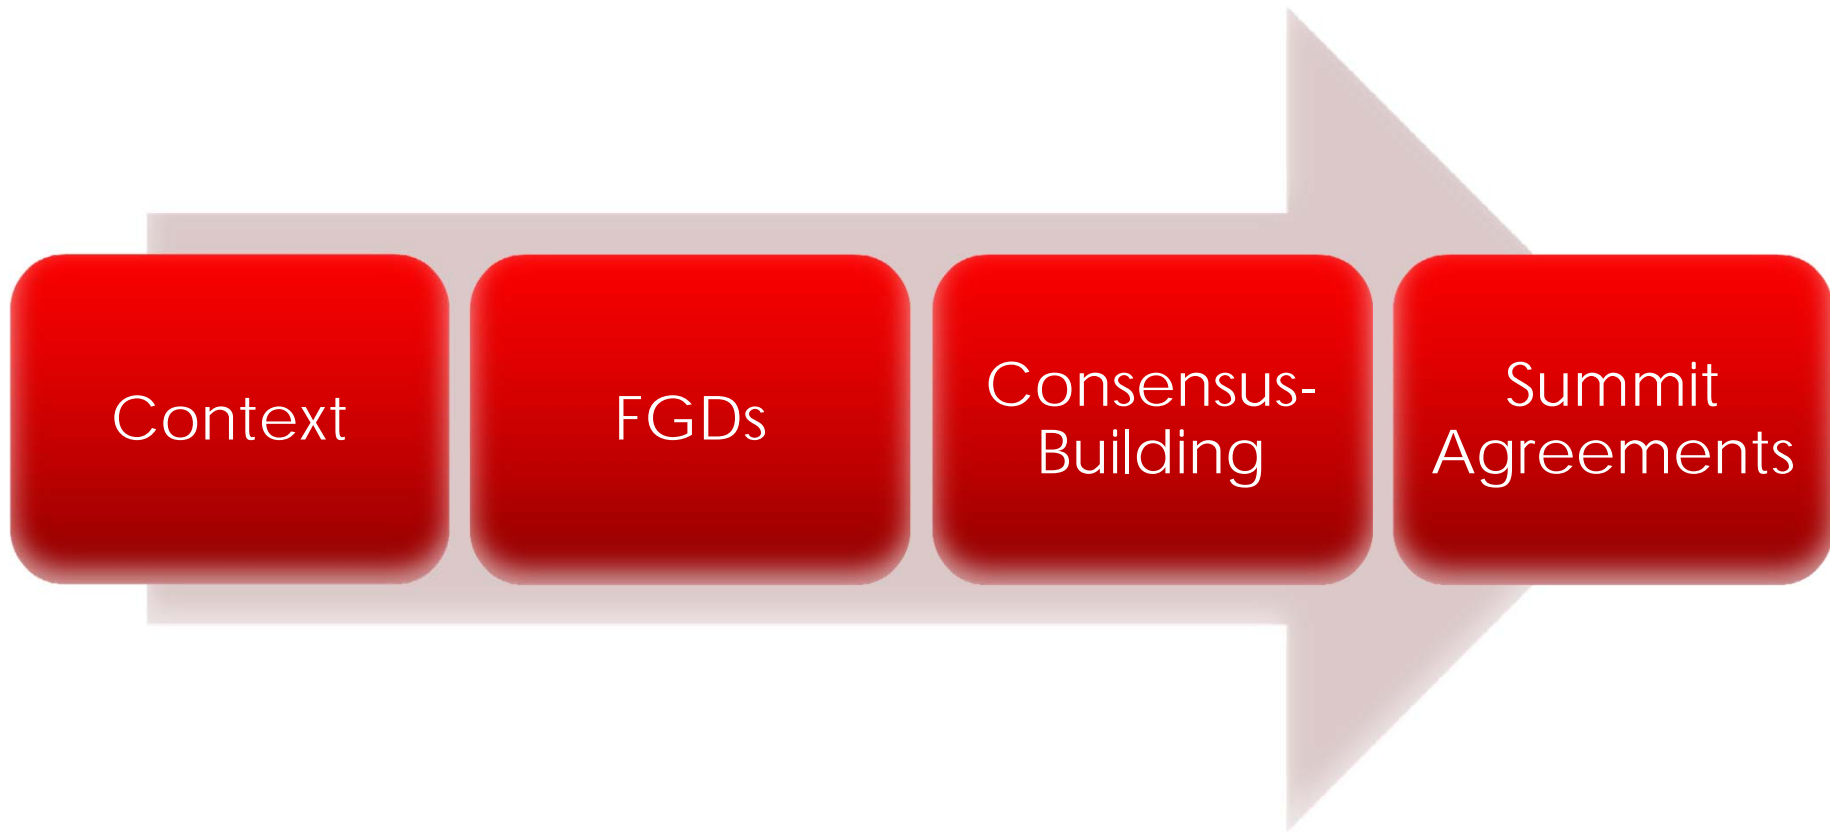

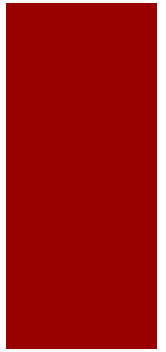

- To raise issues and challenges facing persons deprived of liberty
- To forge solutions to these issues and challenges:
 - Action measures by the Executive Branch
 - Advocacies for Key Legislation
 - Advocacies for Judicial Support
 - Partnership Measures with Civil Society

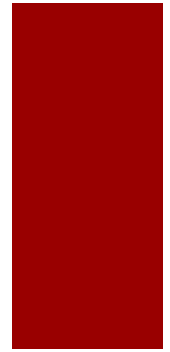

Deprivation of Liberty

“any form of detention, imprisonment, institutionalization, or custody of a person in a public or private institution which that person is not permitted to leave at will, by order of or under de facto control of a judicial, administrative, or any other authority....”

Overall Process Flow
