<b>PROGRAM/ PROJECT (1): ARMM Transition Investment Support Program (TISP)</b>	The Transition Investment Support Program for ARMM is an offshoot of the Roadmap for Reforms and Good Governance crafted by the Department in early 2011 to commence governance reforms and developmental efforts in ARMM in the hope of converting the area into a zone of peace and development. It pushes for the convergence of efforts by the various national government agencies (NGAs) to implement development projects in areas such as agriculture, social services, health, education and others.
