

BUREAU OF JAIL MANAGEMENT AND PENOLOGY

PROGRAM THRUSTS FOR FY 2011

1. Improve jail security, custody and control programs.
2. Upgrade living conditions of inmates through promotion of restorative justice system, decongestion of jails, provision for basic needs and community-based support services.
3. Intensify conduct of development programs for inmates such as: livelihood, education and skills training, recreation and religious activities and health services.
4. Enhance organizational and personnel effectiveness through manpower build-up, human resources development, structural and behavioral reforms and innovations.
5. Strengthen measures for accountability through improved internal control and intensified management.

BJMP PROGRAM/PROJECT/ACTIVITY DESCRIPTION

I. ADMINISTRATION AND GOVERNANCE

- Professionalization of Jail Services
- Productivity Enhancement (Anti-Red Tape, Accountability Measures, etc.)
- Managerial Capability Build-up

These involve the provision of education and training, human resource development and continuing education to BJMP uniformed personnel.

- Morale & Welfare of Personnel
- Responsive Jail Programs Enhancement

These aim to boost the morale and welfare of jail personnel through the provision of incentives and awards. Incentives come in the form of promotion to the next higher rank while awards include the giving of citation and commendation for exemplary services rendered.

- Integrated Public Information Program
- DILG Interior Sector *IT* Task Force

These aim to inform the public about the programs of the Bureau for the offenders.

- Maintenance, Improvement and Repairs of Jails Facilities & Equipment

This involves the renovation and repair of dilapidated jails for inmates' safekeeping and provision of decent place for them.

II. SAFEKEEPING OF INMATES

- Custody, Security and Control of Inmates
- Decongestion of Jails

These programs aim to improve the living condition of inmates in accordance with the accepted standards of treatment for inmates through the release of those qualified under applicable penal laws.

III. INMATES WELFARE & DEVELOPMENT PROGRAM

- Provision of Basic Needs of Inmates
- Provision of Health Care Services
- Spiritual Upliftment & Religious Services
- Livelihood Services
- Educational Programs
- Physical Fitness/Recreational and Sports Programs

These programs are intended to eliminate the inmate's criminal behavior, reform them to become law abiding and productive citizens and to prepare them for their eventual return to their families and be absorbed into the mainstream of society.
