COA, PCCI and PPVR were notified, but were not able to send their representatives

BIDDERS

Mr. Allan Tan – MICROBASE

Minutes of BAC Meeting/Pre-Bid Conference for the Development of Mobile PDL Booking Application System with Delivery, integration and Customized of AFIS on Biometric Matching License

Mr. Luigi Lim – SVI Technologies
Mr. Jae Guanio – SVI Technologies
Mr. Jorge Pasicolan – SVI Technologies
Mr Martin Perfecto – SVI Technologies

I. Invocation:

The meeting had started with a prayer led by JO1 Pangowon, BAC Secretariat.

II. Call to Order:

JCSUPT ROCAMORA, requested the Secretariat to check the attendance of the BAC Members and to ascertain if there is a quorum. The Secretariat certified that there is a quorum. The BAC Chairperson called the BAC Meeting/Pre-Bid Conference to order and requested the Secretariat to introduce through video conference the members of the TWG and Secretariat. The BAC Secretariat informed the body that an invitation is sent to COA, PCCI and PPVR as observers. However, they are not able to send their representatives.

III. Meeting Proper:

JSINSP ESPOS discussed the documentary requirements, bidder's responsibilities and reasons of bidder's disqualification. JSINSP ESPOS then reminded the use of Philippine standard time and the unavailability of the parking area in the National Headquarters for the prospective bidders.

The BAC Chairperson informed the prospective bidders that they may now ask their questions and clarifications with regards to the project.

Questions	Answers
1. Mr. Luigi Lim of SVI Technologies asked if what are the specifications of the mobile devices that could be used in this system.	JSINSP TRISTEZA answered that the mobile device is not included in the project. The system will be running into a smart phone device. The minimum specification is it will be running at present smartphone.
2. Mr. Luigi Lim of SVI Technologies followed up if what type of smartphone, android or IOS phone.	JSINSP TRISTEZA answered that it should be running in the latest android phone and in an equivalent flat form.
3. Mr. Luigi Lim of SVI Technologies followed up if what specific version of android.	JSINSP TRISTEZA answered that it should be running in running in the latest version of android once delivered.
4. Mr. Luigi Lim of SVI Technologies followed up if it's going to deployed in smartphone only or in tablets too.	JSINSP TRISTEZA answered that the target is on cellphones. It will be used also in tablets but the major use is in smartphones.
5. Mr. Luigi Lim of SVI Technologies followed up if how many devices will be going to use in this system.	JSINSP TRISTEZA answered that we are looking into a system for smartphones.
6. Mr. Luigi Lim of SVI Technologies followed up if the provider will be the responsible for the system installation in the smartphone.	JSINSP TRISTEZA answered yes.

7. Mr. Luigi Lim of SVI Technologies followed up if the system needs a database.	JSINSP TRISTEZA answered that it will be connected to an existing database.
8. Mr. Luigi Lim of SVI Technologies followed up if the BJMP has biometric system license.	JSINSP TRISTEZA answered yes.
9. Mr. Martin Perfecto of SVI technologies asked if what are the pieces of evidence for the warrant.	JSINSP ESPOS answered that its unconditional statement of specification, compliance by the manufacturers and warranty certificate.
10. Mr. Martin Perfecto of SVI Technologies asked regarding the requirement of 15 years' experience for the project manager for the system development.	JCINSP NICART answered that as long as the project manager is professional, then its will be allowed.
11. Mr Luigi Lim of SVI Technologies asked if what are the basis of acceptance.	JCSUPT ROCAMORA stated that all the concerns and queries will be tackled in a BAC meeting and will issue Supplement Bid Bulletin as necessary.
12. Mr. Allan Tan of Microbase asked for a longer duration for the development of the system.	JCSUPT ROCAMORA answered that yes it will be discussed and included in the Supplemental Bid Bulletin if found necessary.

The BAC Chairperson informed the prospective bidders that they may send their queries and clarifications in writing, addressed to the BAC and to be submitted not later than ten (10) calendar days before the Opening of the Bids. Further, the BAC Chairperson informed the prospective bidders that any statement made in this pre-bid conference shall not modify the terms of the bidding documents, unless such statement is specifically identified in writing as an amendment thereto and issued as a supplemental/bid bulletin that will be posted in the PhilGEPS and or the BJMP website and it is the responsibility of the bidders to inquire and secure such supplemental/bid bulletin that may be issued by the BAC.

IV. Other Matters:

There was no other matter discussed.
